

Student Outdoor Clerk Scheme (SOCS)

The Student Outdoor Clerk Scheme (SOCS) is successfully offering a helping hand to busy advocates in Kent. It is also a valuable opportunity for law students to gain practical legal experience in the courtroom and hopefully encourage them to specialise in Criminal Law.

Newcastle University and The University of Law are working to bring the scheme to the North East. We are currently in need of training partners to help brief our students on the workings of the Criminal Courts. If you would like to offer your support to the scheme, please contact us at:
